

Application Form

CALL FOR ACCESS TO THE NATIONAL RESEARCH INFRASTRUCTURES OF
THE ITALIAN PLANT PHENOTYPING NETWORK PHEN-ITALY

PERSONAL DATA

Name and Surname *

Name

Surname

E-mail *

Phone/Mobile *

Affiliation *

Affiliation website

Type of applicant *

- Single
- Group Leader

PROJECT PROPOSAL

Title of project *

Acronym *

Section 1 - EXCELLENCE

Background (max 2000 characters) *

Type here...

0/2000

Expected scientific and technological impacts and importance of the project proposal (max 2000 characters) *

Type here...

0/2000

Importance of the infrastructure for carrying out the project (max 2000 characters) *

Type here...

0/2000

Section 2 - FEASIBILITY

The project must be approved and discussed with the infrastructure manager. Please select the infrastructure below and upload the Feasibility Declaration

Detailed description of the project phases (work plan) (max 3000 characters) *

Type here...

0/3000

Gantt Chart *

Drag and drop files here

(pdf file)

Selected Infrastructure *

- ALSIA Field Net
- ALSIA PhenoLaB
- CREA-CI Field Phenotyping Platform
- Nitrogen Forest Experiment (FEM)
- PIANTA
- Root DISTAL UniBO

Feasibility Declaration *

Sfoglial File

Drag and drop files here

(pdf file - Please upload the document signed by the infrastructure manager)

Used instrumentation /equipment (description and cost) (max 1000 characters) *

Type here...

0/1000

Travels and accommodation (description and cost) (max 500 characters) *

Type here...

0/500

Materials (description and cost) (max 500 characters) *

Type here...

0/500

Other costs (specify)

Type here...

Total cost of the project (€) *

Section 3 - RESULTS

Description of the results expected from the project (data, technological innovation, ...) (max. 2000 characters) *

Type here...

0/2000

*

Type here...

0/2000

Publication expected (max 500 characters) *

Type here...

0/500

Data management plan (indicate how data will be made available to the scientific community, including raw data) (max 1000 characters) *

Type here...

0/1000

Section 4 - Experience

Applicant CV (Europass format, only for single applicant or group leader) *

Sfogliare File

(pdf file)

[Compile only in the case of research group] Please describe the research team (e.g. James Smith, Senior Scientist, Univ. of XY, field of interest) (max 1000 characters)

Type here...

0/1000

Experience and relevance of the selected infrastructure for the project (max 1000 characters) (max 1000 characters) *

Type here...

0/1000

PERSONAL DATA TREATMENT

In compliance with the current legislation, I hereby consent to the processing of the personal data that I have provided for the purposes of the application to the present Call for Access to the National Research Infrastructures of the Italian Plant Phenotyping Network Phen-Italy 2021. *

YES
